Income, Cost of Living, and Housing

Sansom Park is one of the more affordable submarkets in the Fort Worth area. That affordability is an opportunity for value-add residential investment, workforce housing, and retail concepts that serve a price-conscious household. The market is reachable from a primary trade area of more than one million residents within a ten-mile radius.

Metric	Sansom Park
Median household income	\$42,257
Per capita income	\$21,519
Median value of owner-occupied housing units	\$158,200
Total housing units	2,081
Total households	1,728
Cost of living index	91 (national average = 100)

Investor takeaway: residential price points sit well below the Tarrant County median home value of \$359,500, leaving substantial room for renovation, infill, and corridor-anchored mixed-use plays as DFW continues to absorb migration northwest of downtown Fort Worth.
